

## **S-22/14 – 3-Stage Immersion Part Washer**

### System Specifications

#### Immersion Module:

- Immersion module, heated tank with platform oscillation
- Powered platform 22" x 14"
- Immersion depth up to 14"
- 100 gallon tank/12 kW electric heat
- Ultrasonic system, 2000 watts/40kHz

#### Immersion Module:

- Immersion module, heated tank with platform oscillation
- Powered platform 22" x 14"
- Immersion depth up to 14"
- 100 gallon tank/12 kW electric heat

#### Drying Module:

- Heated drying module, recirculated air with platform oscillation
- Powered platform 22" x 14"
- Allowable work height up to 14"
- 18 kW air heat system
